DEPARTMENT OF POLICE

To Whom It May Concern:

Many companies in Bloomfield New Jersey including this Department have had the need to use the services of Mr. Howard Temple over the past twenty-five years. Specifically those companies with large numbers of employees that had experienced significant losses due to employee theft.

Mr. Temple has always conducted himself in an extremely professional manner, and the use of his polygraph skills has always been a valuable asset that we could rely on during some of our investigations.

Sincerely,

JOHN McNIFF
Chief of Police
