To whom this may concern,

For the past 25 years I have found it essential to use the service of Mr. Howard Temple. His services have provided us with useful information, and have consistently achieved exceptional results without disrupting employee moral. Not only has he resolved situations that affected the economic growth of his company, additionally his services have provided us with a most valuable tool in our hiring process.

I highly endorse the service that Mr. Temple provides to all companies concerned with protecting their bottom line.

Sincerely,

Steven Koster
